## ***Brief History of Fairfield-Liverpool Cricket Club***

**Prior 1979** – Cricket in the Fairfield Liverpool area was played under the control of the Southern District Cricket Association. Any player who wished to better themselves had to participate in grade cricket. The only forms of representative cricket were the games in the Hawkesbury Cricket Council. The Hawkesbury Cricket Council was comprised of the four Country Associations, Hawkesbury, Camden, Nepean and Southern Districts. Players fortunate enough to be selected in these games had an opportunity to play before the state selectors and earn a place in the annual City verses Country games.

In September 1978 the President, Secretary and Treasurer of the Junior Associations attended a meeting of the Hawkesbury Council and the New South Wales Cricket Association to discuss the possibility of dissolving the Hawkesbury Cricket Council and forming one or two grade clubs to compete in the grade competition.

The proposal to form a new grade club was put to the members of the Southern District Association, who voted unanimously that a grade club be formed and compete on a limited basis in the third, fourth and fifth grade competition in 1979/1980.

The Southern District Cricket Club was officially formed at a meeting held at the Cabramatta Civic Hall in May 1979. The emblem of the club was the Historic Lansdowne Bridge on the Hume Highway Lansdowne.

Further brief history associated with the Hawkesbury Cricket Council which was played under the banner of the Country Associations and the Gibson Cup.

- **The GIBSON CUP** was donated in 1948 by Mr. A. G. Gibson, the President of the Camden District Cricket Association, for competition between the Cricket Associations forming the Hawkesbury Cricket Council (HCC).
- The Hawkesbury Cricket Council formed part of the NSW Country Cricket Association.
- The Associations involved in the HCC were:-
  - Camden
  - Nepean
  - Hawkesbury
  - Blue Mountains
- Southern Districts (now known as Fairfield-Liverpool) was added to the competition in 1959.
- Blue Mountains had ceased competing in the Zone by the late 1950's.
- The first winner of the Gibson Cup was fittingly, Camden.
- The Cup was competed for annually on a home and away basis until the HCC was disbanded in 1978.
- During the 30 year period of competition, the Cup was won, or jointly won, by:-
  - Camden on 8 occasions

- Nepean on 10 occasions
  - Hawkesbury on 9 occasions
  - Southern Districts on 6 occasions.
- The HCC was disbanded as a result of a re-organisation of the Country Zones and the desire to extend the Sydney Cricket Association (SCA) to include clubs from Sydney's expanding population to the western area.
- By the mid-1980's all four former HCC clubs had been admitted to the Sydney Premier/Grade Cricket Competition.
- In 1994 the Gibson Cup was located and remodelled as a project to celebrate the Hawkesbury Bi-Centennial.
- Competition was resurrected and points are earned when any two of the former clubs play one another in a SCA fixture.
- By reality, all Clubs do not play the same number of games during the course of a season, thus the winner is determined on a percentage basis of wins to games played or games scheduled to be played.
- Points are earned in matches from First to Fifth Grade, the Poidevin-Gray Shield and the A.W. Green Shield competitions.
- The inaugural winner of the revamped competition was Campbelltown-Camden.
- During the intervening twenty-three seasons the Cup has been won, or jointly won, by:-
- Penrith on 16 occasions
  - Campbelltown-Camden on 2 occasions
  - Fairfield-Liverpool on 6 occasions
  - Hawkesbury is yet to win the prestigious trophy.
- The trophy is currently displayed in the Club Pavilion at Howell Oval, Penrith and will form part of the Club's 2016/17 presentations.

## The President Report

Finally, a year that wasn't affected with COVID meant that we could get stuck into our work from pre-season all the way through to the end of the season and we must all be proud of the level of improvement across the board.

As stated last year, the competition continues to grow in professionalism and stature and as a Club we continue to make strides to keep up with this change thanks to our Club sponsors and partners.

Canley Heights RSL and Recreation Club continue to be our major sponsor and we are forever thankful for their increased support this year. Canley Heights along with JG Building, Ed Square, Hawksview Plumbing, Steve Matt Beach, Daylight Sportswear and RKAJG Pty Ltd provided a great platform for our committee to grow and provide the environment for success for our playing group and for that we are grateful.

On the field, we would be disappointed with the end table positions, but mainly due to the situations we were in going into Christmas. First Grade was a prime example of this, heading into the break in 5<sup>th</sup> and dropping out of the race by Round 13, which showed how tight all 5 competitions were. Same could be said for 4<sup>th</sup> Grade, who clung onto the opportunity of a finals berth and were unlucky to miss out come round 15. 2s, 3s and 5s showed glimpses of great cricket throughout which holds us in good stead into the 23/24 season with another year of grade cricket under everyone's belts, especially with the amount of youth in our set up.

PGs were the surprise packet this year, boasting 5 National players and bowed out without any finals cricket. We bid farewell to Yuvraj Sharma (from the U21s team) and thank him for his service as captain of the side over the past few years. We look forward to seeing him continue on his form with the Lions First Grade side for years to come and hopefully higher honours also.

Off the field, we brought in many changes with the recruitment of Michael Wholohan as a Head Coach, Jarrad Burke as an Assistant Coach as well as forming a junior academy to assist with the pathways between the junior association representative players into the grade team. I think we are yet to see the fruition of these changes but will see this in years to come with a great coaching set up that helps formulate a clear path for our juniors.

Michael, after years at both Penrith and Hawkesbury, bleeds Western Sydney. His passion to coaching, winning and club culture has seen a massive shift in training and motivation within the Club. I truly believe that Michael's instalment as Head Coach has improved our club massively and we must thank him for his efforts. With a full pre-season ahead of him, I'm sure we will do great things this year as a Club.

Rosedale Oval... what can I say. After 15 rounds we are extremely proud to be named Ground of the Year across the entire Sydney Premier Cricket competition. A massive thank you and show of appreciation to Liverpool City Council, Rob and his groundsman and our helpers for making Rosedale the premier destination to swing a cricket bat and throw a ball around a field. The commitment and passion by Rob is something we can all aspire to gain, and we as a club cannot be happier for him on this achievement. On top of this achievement, Rosedale hosted U19 National trials, NSW Second XI games as well as for the first time in a long time... a Grand Final. Next step is a Fairfield Liverpool grand final...

Finally, a massive thanks to our committee and volunteers. Without the work of you all, the Club's vision can't be achieved, and I look forward to how far we can reach with all your help.

Cheers,

Starry - President

## First Grade Report

Firstly, as my first year as captain I'd like to start this report thanking the core group around me for making it an extremely enjoyable experience, learnt a lot but was made easier with the help of the major players at this great Club.

Our run pre-Christmas was fantastic, the boys stayed in the grind in plenty of games against tough opposition and for such a young group was extremely impressed with the fight and the composure that we had. For such a tough run pre-Christmas we did extremely well to sit 4th into the break. Our post-Christmas run wasn't ideal as we lost a few games from winning positions, but I cannot fault the effort shown from the group in these games. Our bowling and grind in the field was in strength in this season even though our new ball bowling probably wasn't but overall, even when our opponents got off to a flyer, we were always able to bring the game back. Our batting was underwhelming throughout the season especially since on paper we feel like we have a very strong batting line-up, there were a few standouts throughout the season with the bat, but very rarely did we all perform together as a team batting performance, but we know where we need to make our improvements to better ourselves. Too overall finish 13th I feel doesn't really show how close we were this season whereas a couple of results go our way, and we go deep into finals run but all the boys will be better for this season being in such tight games and getting the result in several here is a breakdown of our players seasons.

Jaydyn Simmons- Simmo once again had another solid season with the bat. being our most reliable stick over the past 3 seasons but it was his bowing that impressed me most this year, with more effort in pre-season I can see him find a home as a proper all-rounder in the upcoming season and a great support for me as the vice-captain.

Brock Fitton - ups and downs for Brock this year as his first year for the lions. We all saw how good he could be especially against NDs against a proper bowling line-up scoring his first grade hundred, but consistency was where he struggled. Looking forward to seeing what he can achieve in the upcoming season.

Yuvraj Sharma - overall really impressed with Yuvi this season as he looked a lot more comfortable at the crease as if he is starting to really know his game. Bowled him at a few important times and used him to try open the game which resulted in Yuvi taking key wickets for us. Look for Yuvi to bowl more overs in the upcoming season with a big pre-season.

Arjun Nair - As we all know arjun was a superstar with the ball this year resulting in arj being selected in the team of the year. Bowled plenty of overs and brought us back in the game on plenty of occasions by just being too good. Disappointing year for him with the bat though and still looking to put a season together where bat and ball are both on song

Nathan Glynn - was used as an anchor in the middle order as we know that he never gives his wicket away and fights hard. Not the ideal season for Glynn as the big scores weren't there but was a great member to have on the field as he is so positive and gets the boys up and about with plenty of match experience.

Yuva Nishchay - Although Yuva's new ball bowling was up and down he always wants to find ways to be better, bowled well throughout the middle overs and will have a big preseason to take his bowling to the next level. The kids an absolute stud with the bat getting us home in tight games playing without fear can't wait to see what he has in store next year.

Max Farmer- Interesting year from max plenty of great moments with the gloves and so much more to learn. His first season with the lions was enjoyable and keen to see how he adjusts now after a full year with us. Needs to work out his own game with the bat and work hard to big a major part of our first grade line-up

Jake Wholahan - Jake bowled at tough times throughout the season but was versatile and knew his role. Another first-year lion and was so enjoyable to take the field with him.

Cameron Frendo - massive year for Cam as he found a bigger role in the team this year bowling at important times and taking a bigger role on with the bat. Cam did well at 19s and brought it back to first grade as we saw his confidence grow taking his first 1st grade 5fa. Look for Cam to have a huge role in the upcoming season as we continue to see him grow with the club

Josh Baraba - Overall a disappointing year for barbs as he is the backbone of our bowling line-up. Was inconsistent with new ball which is his strength but bowled well through the middle. With barbs going to Darwin for the upcoming off season looking forward to seeing him bounce back next season

Special thanks to Mick Wholahan who's first season at the lions couldn't have been better, looking forward to seeing what he has in store in the upcoming season. And thanks to the volunteers who helped this year when you guys don't have to, we appreciate it.

Luke Ohrynowsky  
First grade captain

## Second Grade Report

Firstly, I would like to thank the help of the committee this year. There are many individuals within, that go far and beyond to help the club run smoothly and without them, there is no club. Thanks to our scorer, Kay for her commitment throughout the year. It is definitely a job that receives no credit, but it makes my job a hell of a lot easier. I would also like to thank two senior members of our side, Wendel and Russel for assisting me throughout the year. Between the three of us I feel like we were able to lead the team well and help improve a few of the younger members in our team.

As a side, we definitely gave our 100% at all times, however we just managed to fall in and out of games at certain times and the better sides we played capitalised on this and made us pay. Early doors in the season we found it difficult to adjust to playing two day cricket again. With this being said, towards the back end of the year the boys were able to learn how to be patient and build into innings and work in partnerships with the ball.

I feel as a side there are definitely individuals who showed promise and improved enough to put pressure on selectors to be able to raise contention in being picked in the grade above. There is definitely enough youth within this side to be able to stick together for a number of years and hopefully build towards playing some finals cricket.

I want to thank each and every player who played a part in our Second grade side this year. We definitely enjoyed our year at certain times and made it an enjoyable experience each Saturday. Hopefully we can continue the enjoyment of our cricket and keep working hard to turn them into more positive results in the years to come.

On a personal note, I would like to thank our club and the committee for the love and support they have given me this past year. It was great for some of my family members to be respected and honoured in the back to Rosedale and I sincerely want to thank everyone involved who made this happen. My family greatly appreciate everything this club has done. I wish everyone a great off season and hope everyone stays safe and hungry to come back for a bigger season next year.

Thanks  
Damien Aviet.

## Third Grade

I'd like to start by congratulating Randwick Petersham on their premiership win. Third Grade finished in 14<sup>th</sup> place which is the same as last seson.

Keyan Patel had an excellent season taking 36 wickets, with 2 -5 wicket results. He also had the highest wickets in a match for the season, 8-49 (6-30+2-19).

Sabharwal Sukhwant also had an excellent season scoring 390 runs and taking 13 dismissals.

To all the parents who also helped me out through the season I would like to say thank you. It was a very stressful season, but you guys made me life so much easier week in week out.

Lastly, I would like to thank all sponsors, coaching staff, volunteers and committee members for being involved with the club. Without the help received from them this club would not be anywhere near what it is today.

## Fourth Grade Report

Congratulations to Manly Warringah on winning the 2022/23 4<sup>th</sup> Grade Premiership. They continue to set the standard through all grades as seen by their successes this year.

The past season should be looked at optimistically for our 4th grade side. The boys developed a real sense of team and banded together to achieve 7 hard fought wins. We finished 1 win outside of a finals berth, but this should not be looked at in disappointment. We had 8 players under the age of 21 that consistently contributed to the successes of the side and continued to improve as cricketers through the year. We look forward to these players having long successful futures at the club.

The 4<sup>th</sup> grade side managed 3 wins before the Christmas break and 4 wins after the break. Looking back at the second half of our season during the run home to the finals, it is easy to retrospectively pinpoint certain matches that cost us a finals berth. Such as missing out narrowly on the 10 points against Mosman in Round 11 and Randwick Petersham in Round 14, or in Round 13 when our middle order collapsed against Parramatta causing us to miss out on the bonus point win.

Although, the inability to defend 300 against Bankstown in Round 12 was the most disappointing loss.

Rather than looking at these matches in disappointment, the 4<sup>th</sup> grade side should be commended for their performances, constantly overcoming adversity and performing under pressure in must win games to keep us alive in the race for a finals berth until the last round of the regular season.

There are many people I would like to thank for their support and efforts during the year. Andy Clark, Daryl McEwen and Kelly McNamara for their strong support of the side throughout the year as well as a big shout out to Mark Long for his assistance with scoring and vocal support of the side. Matthew Starr, Adam Vodnik and Alexander Gomez for their guidance throughout the year and the FLCC committee for all their work behind the scenes.

There were many efforts, contributions and performances to commend and deserve great recognition:

### **Pete Pigadas**

As previously mentioned, the 4<sup>th</sup> grade side was very young. Pete's leadership and guidance helped the success of the team and the young cricketers in the side perform to their potential. Pete's intensity in the field set the standard for everyone to follow.

### **Connor McEwen**

Connor had a successful year with the bat scoring 303 runs at an average of 37. He was the rock at the top of the order, always putting the pressure back on the fielding side. He had many successful starts headlined by a 68 vs Parramatta and 84 vs St George. He also found a new home at first grip.

### **Zane Chattertree**

Zane's 135 against Western Suburbs in Round 3 highlights the potential he has. The team's success often came off the back of Zane scoring runs, he was the anchor of our batting group and set the tone for the innings. He went on to make numerous starts scoring 244 runs at an average of 48, hopefully future seasons bring more conversions. Zane's glove work in combination with slips cordon beside him was the reason for a lot of the bowling group's success. Zane's ability behind the stumps were highlighted by his 7 dismissals in 1 innings against Mosman in Round 11, tying the club record. His cricketing IQ and help with strategy on field is something to build up on.

### **Aden Clark**

Aden had a coming of age this season scoring 396 runs at an average of 40 headlined by his maiden ton vs Bankstown, 88 vs UNSW and 68 vs Randwick Petersham. Aden has the ability to single-handedly change and win games. He hit 28 6s, the most in the 4<sup>th</sup> grade competition. He

**Nish** finished 3<sup>rd</sup> in total runs for the comp, showing the potential he has. Hopefully Aden can continue to grow as a cricketer and have continued success in the higher grades at this club in the coming years. Aden may also be the best gripper in the club.

**Yash Deshmukh**

Yash became a true all rounder this season, showcasing his ability as a leg spinner. He started the season as the third-choice spinner and was the strike bowler by the last game. He finished with 21 wickets at an average of 19 and an economy of 2.74. He picked up 4/13 vs Randwick Petersham and 4/16 vs Mosman.

With the bat Yash continued to contribute, he scored the 3<sup>rd</sup> most runs in the team with 266 runs and 34 4s. He notched up two half centuries this season against Bankstown and UNSW. Overall an amazing season for a 14 year old, a future first grader for this club.

**Ethan Muller**

Ethan has a fine first season at the club showcasing his all round ability. He picked 18 wickets at an average of 21 and an economy of 2.56, headlined with a 4/54 against Mosman. His versatility with the bat was crucial playing important roles at the top of the order or in the lower middle order. An outstanding team player with a mature head on young shoulders.

**Will McNamara**

Will, in combination with the other all rounders in the team, was one of the significant reasons as to why the team was successful. He was able to contribute in whatever role was given to him, whether it be bat or ball. His season was highlighted by his 55 vs Mosman and 4/13 vs Campbelltown. Will is at his best when he is not overthinking things and his main goal is to bowl fast.

**Alvin Rajesh**

Alvin had a breakout first year at the club picking up 19 wickets at an average of 14 and economy of 3.71. He was the team's go to bowler when we needed a wicket. Alvin was one of the fastest bowlers in the competition this year, with improved awareness in the field and increased consistency the sky is the limit for our young quick.

**Jai Long**

Jai's contribution to the side needs to be appreciated. He was a mentor to the younger bowlers in the attack often helping with bowling strategy. His no-nonsense, quick and economical off spin overs-built pressure from one end which often allowed for the success of other bowlers in the side. Jai finished with an economy of 2.49.

## **Fifth Grade Report**

Congratulations to Northern Districts who took home the flag for fifth grade this year. A big thank you to the committee & council for all their efforts in getting the season up and running, and all the behind the scenes work that they put in. To all the parents and volunteers that came around and helped out wherever they could, your efforts haven't gone unnoticed, and I can't thank you enough. To all our sponsors, the support you give helps more than you know.

To the coaching staff, thanks for all your efforts and guidance, especially Mick Wholohan. Its been a pleasure having you at the lions and the change of mindset you've brought along was definitely felt, prized and proven throughout the season. It's exciting to see what the future holds.

The year was quite an up and down year, plenty of highlights and hard-fought moments. It was a year where experience was unfortunately the deciding factor in a lot of our games. It was a privilege to captain one of the youngest grade teams going around and see the boys put in effort every Saturday and remain in the contest more often than not. It was great to play in a team where every week, no matter the weather, or the opponents, everyone showed up ready to be better than we were the week before and leave the day saying, "we gave that match everything." Our position in the ladder doesn't reflect the season we had, the performance of the players or the efforts put in on and off the field by the boys.

A special thankyou to Attilio & Lochlan for their support throughout the season. Helping with game day prep, showing the boys what it means to play grade cricket and helping them develop in their steps up from junior cricket. Your maturity and leadership throughout the season were the driving force behind the moments we won and development we were luckily enough to be a part of

To all the players who took the field for us in 5th Grade this year, a big thankyou to all for making the season enjoyable & reminding me why I love the game.

Enjoy the off-season and look forward to a new season at this great club, The mighty lions of Rosedale.

Alex Gomez.

## AW Green Shield Report

Congratulations to Mosman for winning the competition. Fairfield Liverpool finished 19th position. Thanks to the committee for their support, at Rosedale and for their help with opening and closing Rosedale and all the other bits and pieces that go into making things run.

Whilst we were never comprehensively outplayed or uncompetitive in a game, we consistently made small compounding errors by losing wickets or dropping catches at crucial times.

To the parents, thank you for allowing me to coach and trusting that I had only the boys' best interests in mind as I set out to make them better players at the end of the season than they were at the start.

Deeptanshu Rawat was the highest scorer with 131 runs and played high Grades.

On a positive note, Loqman Tawakal was the best bowler in the team and finished with 15 wickets. He also made the Sydney Cricket Association U/16 Merit team which was a great result.

Whilst we were never comprehensively outplayed or uncompetitive in a game, we consistently made small compounding errors by losing wickets or dropping catches at crucial times.
